Foreword

Leap Year is traditionally the year when girls have the privilege of choosing their mates. Hence this year our theme centers on Leap Year—but with a difference. Years are marked into months, weeks, days, hours, minutes, and seconds. Seconds are told by pendula swinging free. These trace patterns, some swinging in complete circles, if the bar is long enough—others simply back and forth—but as outside influences strike these pendula—as controls are attached to the bar these patterns become widely varied and seemingly erratic—but the patterns return. So it is in life, as time passes, outside influences and controls disturb the tenor of the life and the pattern changes—so as we turn these pages we shall see patterns traced by pendula, free and controlled, the pattern varying as the tenor of the school life changes—as the life of the boys and girls vary—as the influences become greater, the more varied the patterns—and yet all patterns trace a home, a state, a nation for which all, even in leap year are striving.

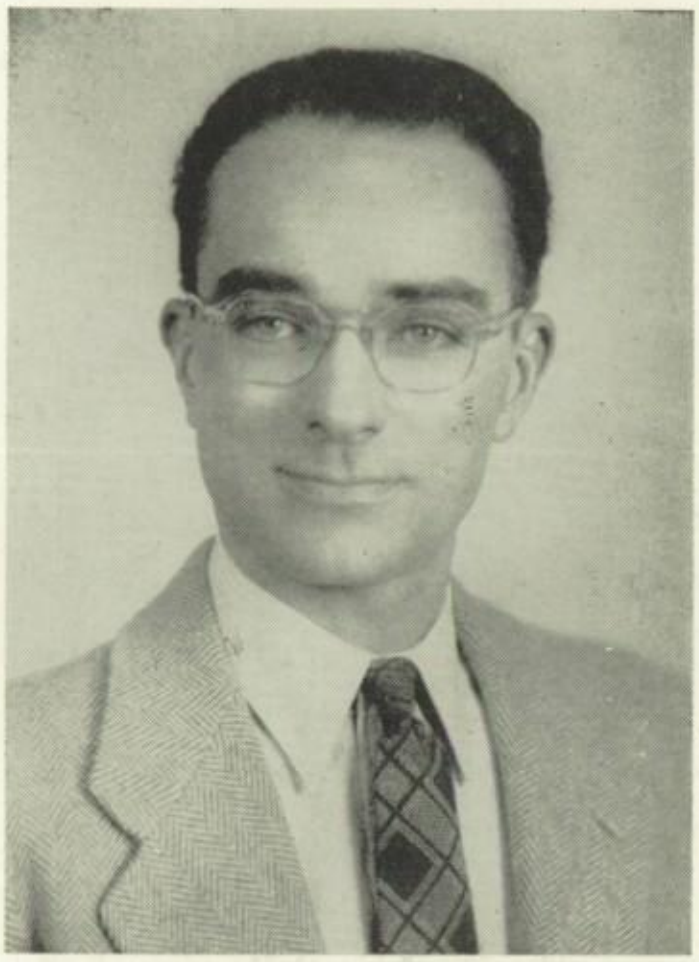
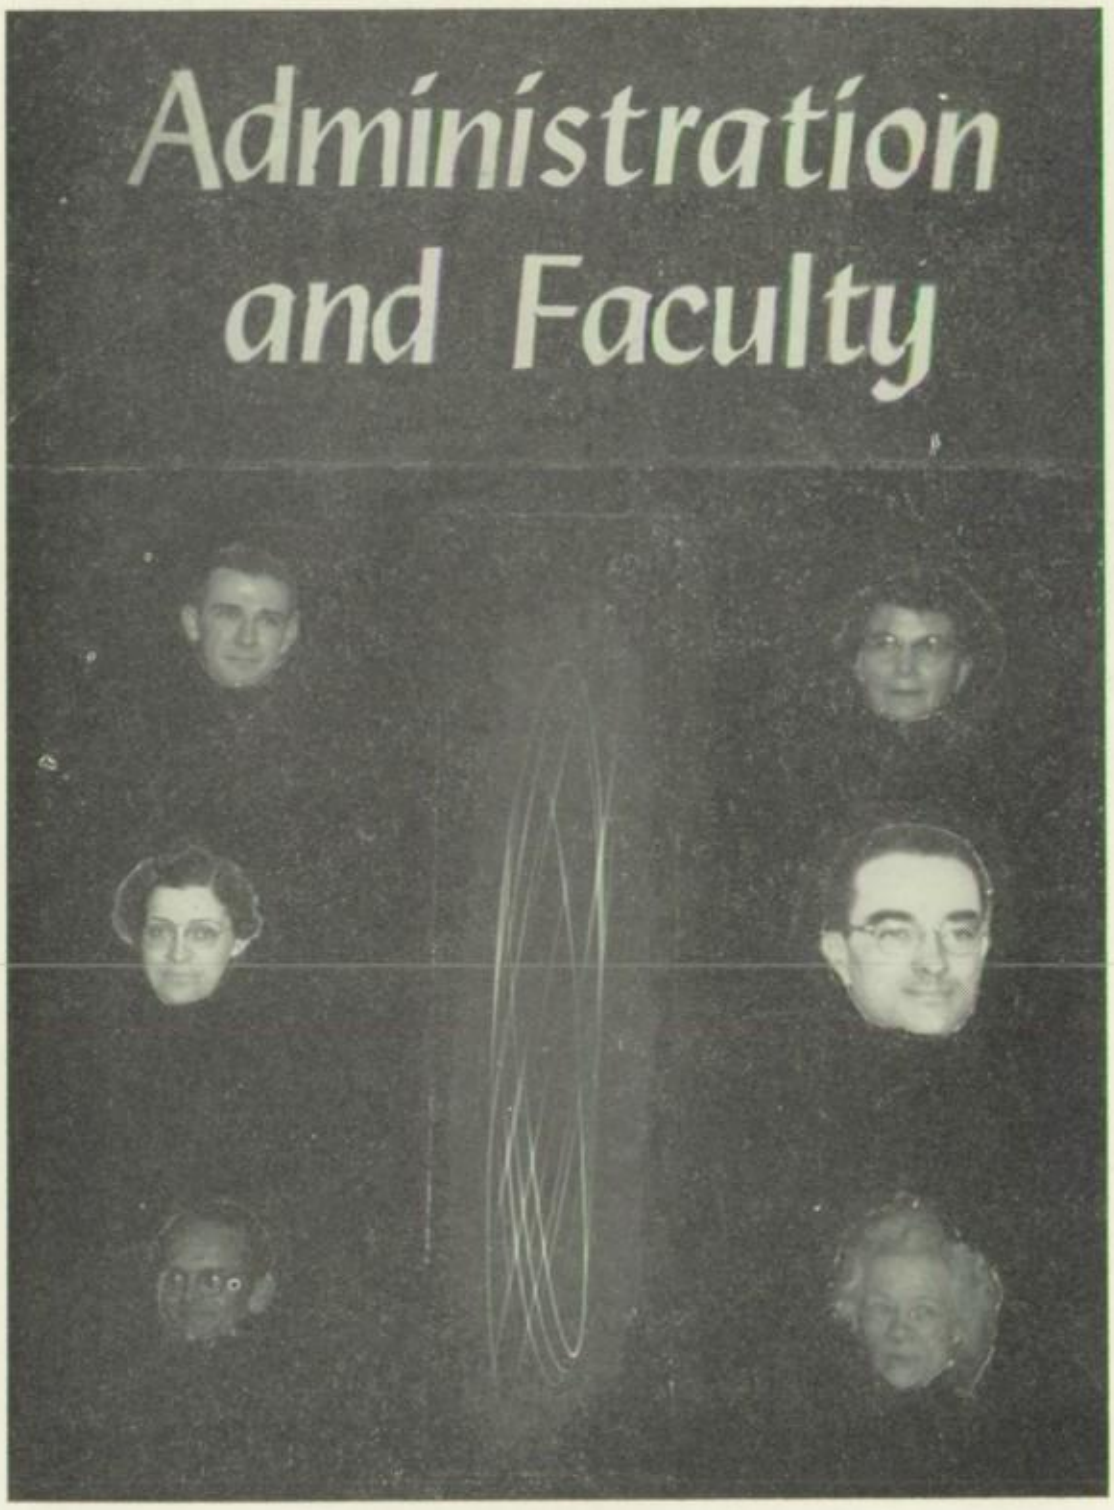
Dedication



The class of 1952 wishes to thank Mr. Oberlin for the guidance he has so freely given us. He was always ready to help us, and did it without complaining—even though it might have been an unpleasant duty. To you, Mr. Oberlin, we express our sincere appreciation.

Administration and Faculty



Our guides for future home life

Ralph Mutzfeld, T. M. Long, Frank Korsmeyer, Carl Bercaw

School Board

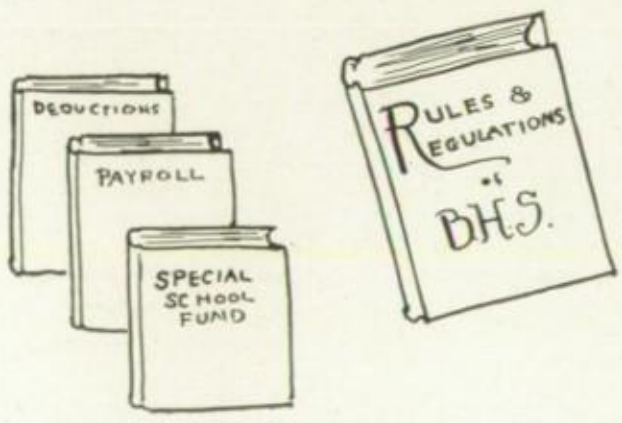
The big job of keeping our school from lagging behind the times or coming to a standstill is put into the hands of the school board. Besides running their own businesses they sacrifice much time in thought and in action to improve Butler High School. If we did not have the school board, we would not have school; and it is quoted that education is the biggest factor in solving the communism problem.

Mr. Ralph Mutzfeld is president of the board. His regular business is running a hardware store. Mr. Mutzfeld knows the school for two reasons; first, he attended school here himself and second, he has been a member of the school board for fifteen years. He is a respected member of this community and he is doing the important duty of helping the next generation learn to take responsibility and find an honorable place in the community in their adult years.

Mr. Frank Korsmeyer, secretary of the board, is manager of the local Indiana and Michigan Electric Company office. He has served on the board for five years, during which he has helped the school and community in many ways.

Mr. T. M. Long is the manager of a local drug store. Mr. Long is treasurer of the board. He, also, is an experienced board member since he has been serving for four years. As anyone knows, being a treasurer of almost any organization isn't easy and Mr. Long is doing his job well.

Mr. Carl Bercaw, as trustee of Wilmington Township, has been a member of the board since the consolidation of the Wilmington Township and Butler schools. He has been Wilmington's trustee for seven years. He, also is a well-known and well-liked person in the community. His regular business is selling monuments.



Administrative Personnel

ERNEST ZELLER
Indiana State B.S., M.S., Indiana University, Dir. D., U.C.L.A., North Carolina, Illinois. *Subject*: Science, Phy. Ed., Driver Training, Social Studies. *Hobby*: Hunting and Fishing.

H. BRUCE BRUBAKER
Manchester College, A.B., Indiana University, M. S., Indiana University Further Advanced Study. *Subject*: Plane Geometry, Guidance. *Hobby*: Music and Travel.

HELEN HOULTON
Secretary. International Business College.

At the opening of the school year of September, 1951, only five new teachers were presented to the Butler Schools. In the grades, there was only one change being in the fourth grade. Mr. Raymond Mourer was replaced by Miss Doris Nodine and in addition, Mr. William Glesing came to help teach the Junior High and fill the position of varsity track coach.

In the high school faculty, two changes had been made. Mrs. Evelyn Wagner was employed as head of the high school and grade chorus. Mr. George Cherry was employed to be second team basketball coach and to teach social studies and drivers training.

In agricultural farm training, Mr. Clayton Elliott was employed as G.I. Farm Training instructor. Thus, the teaching staff of the Butler Schools was complete and school was off to a good start. In December of 1951, the superintendent of schools, Mr. Cletis Jenkins resigned from his position and the principal, Mr. Bruce Brubaker became acting superintendent.

For two months Mr. Brubaker served as superintendent and in February, Mr. Ernest Zeller, a graduate of Indiana State Teachers College and Indiana University, and a man of extensive experience took the position of superintendent of the Butler Schools. The school year finished very successfully under the guidance of Mr. Zeller and the cooperation of the school staff.

Instructive Personnel

PAUL W. ASHBY

DePauw University, Herron Art School, Indiana State Teachers College, Diploma, Evansville College, A.B., Cincinnati University, Fort Wayne Art School, Indiana Univeristy, M.S. Ed. *Subject*: Art, Latin, General Math., World Geography. *Hobby*: Music and Art.

ALBERT BERG

River Falls State Teachers College, B.S., Purdue University. *Subject*: Agriculture, Chemistry Physics. *Hobby*: Working in the yard with flowers and shrubs.

GEORGE CHERRY

Indiana University, B.S., Butler University. *Subject*: Government, Sociology, Economics, Health, Phy. Ed., Drivers Training, History. *Hobby*: Golf, Hunting.

FRANK CLARK

Defiance College. *Subject*: Algebra, U. S. History, Phy. Ed., Sociology. *Hobby*: Golf.

CLAYTON ELLIOTT

Ohio State, Columbus B.S., Purdue M.S. in Ed. Indiana University. *Subject*: Vocational Ag. Veteran's Instruction in the farm training. *Hobby*: Hunting and Reading. Kids.

ESTHER HAMPEL

Indiana Central, A.B., Manchester College. *Subject*: General English, College English, General Biology. *Hobby*: Books.

PAULINE METZ

Hillsdale College, A.B., Chicago University Columbia University, A.M. *Subject*: College Biology, Home Ec.

VERL OBERLIN

Ball State Teachers College, B.S. *Subject*: Typing, Shorthand, Bookkeeping. *Hobby*: Photography, Sports, Farming.

Russell Houser, Otis Gall

JACK RUFF

Manchester College, B.S. *Subject*: General English, English Literature, College English. *Hobby*: Collecting steins and mugs, Stamp Collecting.

LIDA STAGE

Indiana University. *Subject*: Instrumental Music. *Hobby*: Knitting.

EVELYN WAGNER

Western State Teachers College, A.B. *Subject*: Music. *Hobby*: Collect Sterling Silver Spoons.

Maintenance Personnel

Hats off to the two men, Mr. Gall and Mr. Houser, who keep the school warm and clean in their unceasing job of picking up paper that didn't go into the waste basket.

Both men, who have served in Butler High School for approximately four and a half years, have made the school a more livable and enjoyable place to come.

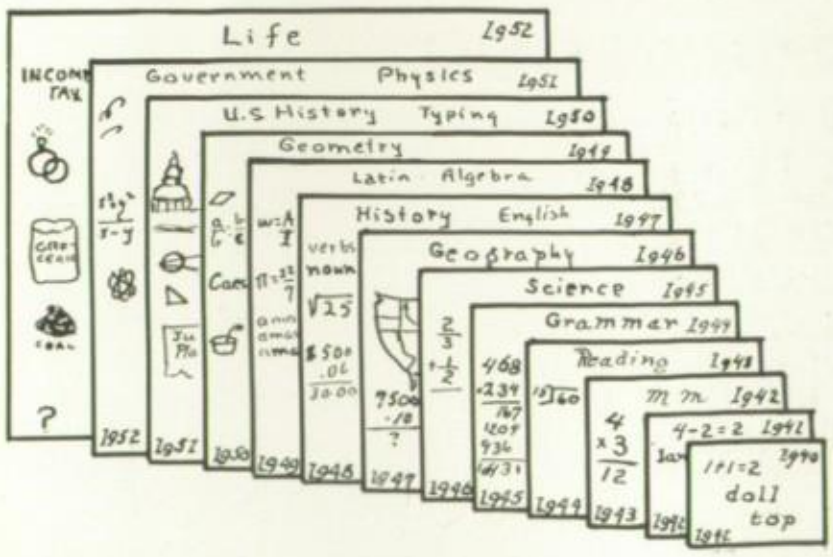
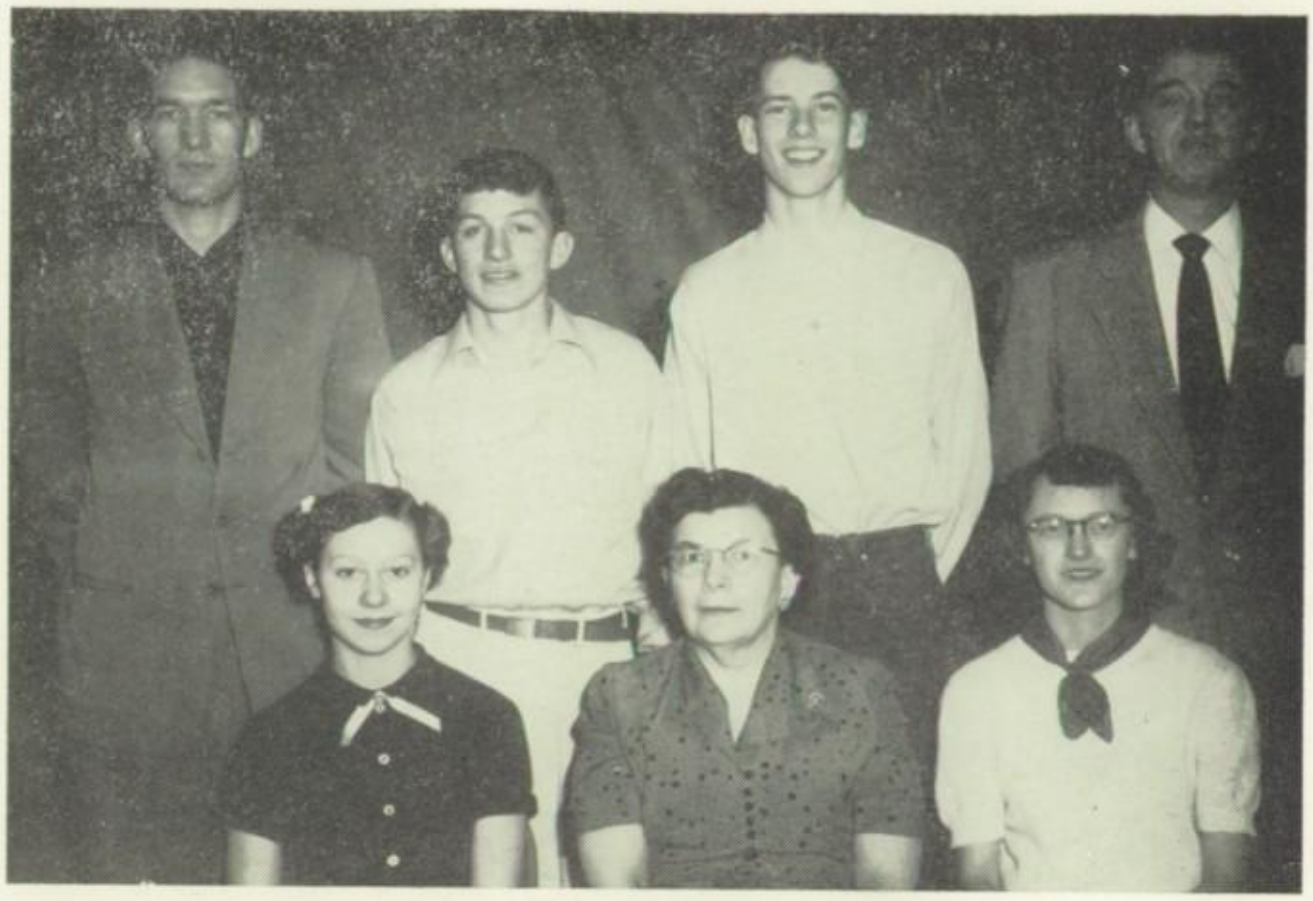
Class History

The class of '52 nervously marched into the halls of Butler High School in the fall of 1948, not knowing just exactly what was lying ahead. We were fifty-one strong. After we became adjusted to life in high school, we found that it wasn't really as bad as we had been led to believe. We organized as follows: President — Jack Maxton, Vice-President—Buck Keesler, and Secretary-Treasurer—Bish Hathaway. Our sponsors were Stanley Pepple and Verl Oberlin. As most other freshman classes, we pictured in our mind a long, hard, four-year struggle—a struggle which we might even lose—but times changed before the year was over. During the year our class had two social functions, a hayride and a skating party.

The next year we were sophomores, a year older and a year wiser than the preceding fall. Our number had dwindled to forty-seven, but we were still the same old chums. We began to think a little more about our big, looked-forward-to trip to Washington, D. C., which we would take at the end of our senior year. To start building our finances for this event we ran the coat check booth at the basketball games, and we sponsored a booth at the Halloween Festival. Our leaders this year were Don Imler—President, Buck Keesler—Vice President, Marilyn Ginder—Secretary - Treasurer, Stanley Pepple and Pauline Metz—Class Sponsors. At the first of the year we again had a hayride, but we had no second party because our plans were interrupted by the death of a faculty member.

In 1950 we were getting confident. We had made it half way! We had only dropped





Class Officers

1st Row: Norma Hartranft, Miss Metz, Sharon Beebe
2nd row: Mr. Clark, Art Bowman, Don Imler, Mr. Cherry

one in number from the year before, making our total forty-six. This year we were advanced and were allowed to have four officers instead of three. These officers were elected: President—Don Imler, Vice President —Helen Coll, Secretary—Evelyn Knox, Treasurer — Sharon Beebe, Sponsors — Eugene Yarde and Pauline Metz. We were allowed to sponsor more money-making events this year. We had bake sales and we were in charge of the concessions at basketball games. We were granted more privileges at the Halloween Festival than ever before. Our big money-maker was the magazine sales. Our class play, "Cheaper by the Dozen," was given in April. In the spring there was a school party held at Pokagon Park in which our class took part.

Then came our last year. Our high school days were three-fourths over. We had forty-two members. Our officers were President—Don Imler, Vice President — Art Bowman, Secretary — Norma Hartranft, Treasurer — Sharon Beebe, Sponsors—Frank Clark, George Cherry, and Pauline Metz. In the fall was our senior class play, "The Cannibal Queen," which was another success. We had the traditional fall hayride. The Halloween Festival brought us more money and our trip was beginning to be a reality. This was to be a hard year as far as the 1952 Tropaeum was concerned. We had to plan and replan with Mr. Ashby, our advisor. Then, as a class, we had to sell our product.

Special Accomplishments

Our Freshman Year

Freshmen—yes, that's what we were—looked-down-on freshmen. I imagine our biggest thrill was coming to school that first day. Our first high school exams were something new, too. In some ways these were looked forward to but to those who hadn't studied they seemed dreadful. We will never forget the initiations. Of course, everyone seemed glad when school was out whether they really were or not.

Our Sophomore Year

As sophomores we served a banquet for the boys of baseball from the preceding summer (The banquet was in the fall). The college section of the biology class journeyed to Chicago to study biology in the acquarium and museum. This took place during the second semester.

Our Junior Year

One of the unforgettable happenings during our junior year was our class play, "Cheaper by the Dozen." Also, selling magazines was a lot of work, but a lot of fun went with it.

Our Senior Year

The senior year was our big year. In the fall was the senior class play, "The Cannibal Queen." We had a paper drive in the fall and another in the spring. In early spring we sponsored a chili supper which was a rousing success. The year-end activities were the biggest thrills of our high school career. There was the Washington Trip which, I am quite sure, was enjoyed by all. Then came baccalaureate. Oh! How sleepy we were that night (It was the night after we got home from Washington). During the same week came award day and class day. The final and closing night was commencement. We were put out on our own with our high school days to be looked back on, not to be looked forward to.

Clifford Johnson, Dorman Davis, Donna Hook, Walter Slentz, Jim Sipe, Mr. Brubaker

The Survey

In January of 1952 Indiana University conducted a survey in this community as a part of a statewide project. The head of this survey was Dr. Harold Church, Director of the Division of Research and Field Services, School of Education, Indiana University. His assistant who came to Butler was Mr. Harold O'Neil.

The purpose of the survey was to find the number of pre-school age and school age children living in Butler and the surrounding community—Stafford, Wilmington, Troy, and Franklin Townships. Also, school facilities were scored to find how long the present ones

will accommodate the students. By analyzing the information accurate predictions can be made now of what the situation will be during the next eight to ten years.

The school buildings were checked and scored by Building Specialist Dr. Paul Seagers and his assistants of Indiana University. Pictures were taken of the buildings to help in the study of the rest of the information gathered in this survey.

The local director was Mr. H. B. Brubaker, principal of the local school. Most of his assistants were members of the senior class of the Butler school. There were some from the Junior class. These students went from house to house asking the necessary information needed in the survey. In the townships the trustees and their advisory boards took charge of these duties.

Those in connection with the survey wish to thank everyone in the community for their cooperation in making this survey a success. The results of the project will be announced later. The reports will be, in part, written and there will also be slide pictures taken in the class-rooms while classes were in session.

Juniors

First row: Joyce Adams, Janet Auer, Donald Badman, Georgia Blanchard, Wanda Brade, Larry Craig, Marilyn Craig, Lee Dohner, Marlene Doolittle, Joyce Funk

Second Row: Forrest Hamman, Beth Hankey, Joan Hankey, Phyllis Hankey, Shirley Harris, James Harter, Ethel Haverstock, Jerry Haverstock

The Windmill Breeze has been continued again this year under the direction of Jack Ruff. It is published by the junior college English class.

The paper contained an average of six pages an issue and was mimeographed. It was distributed every other Friday in the sixth period.

Many new features were added to the paper this year. The mystery student and the polls were two of the first. The book of the week was started as an information column on new books, but then it was changed so it gave a summary of the book, and then the person who guessed the title received an issue of the Breeze free.

The Christmas issue was put out with a cover due to the extra vacation before Christmas. A big bargain was given on one issue when a one-cent sale was given because the paper only had four pages.

As another school year comes to a close, the Seniors and the annual staff again produce another Tropaeum.

The staff, being chosen in 1951 set to work after their first meeting. The staff was 100% present and they were off to an early start. Various problems, ideas, and assignments were taken up and discussed. Through the time of summer, Mr. Ashby, the Annual Advisor, completed most of the 1952 Tropaeum "dummy."

In the fall of 1951, after the beginning of school, the staff had its second meeting, reviewing assignments and estimating the production cost. Through frequent meetings, the final steps were being taken. In the middle of the school year the quality and color of the cover was chosen.

Annual sales and subscriptions were started along with the collection of ads. Through the extension of the period of subscription sales the goal set came within a few dollars of being reached.

As the twelfth and final year for the Class of 1952 comes to a close, and the "dummy" has come to life, we hope that you will enjoy our final production and last memory of Butler High School.

Hi-Y Tri-Hi-Y

History and Purposes

The Tri-Hi-Y and Hi-Y are organizations in the high school affiliated with the YMCA. They are Christian associations based on high standards of religious faith. Their platform and purpose are the same: Clean speech, Clean living, and Clean scholarship.

The emblem of the Tri-Hi-Y is a triangle in the center of which is a circle containing a torch. The corners colored red, white, and blue hold the words, Tri-Hi-Y, symbolizing Purity, Sacrifice, and Loyalty.

The emblem denoting the Hi-Y is the triangle surrounding a cross. Inscribed above the cross are the words Hi-Y.

Any junior or senior girl is eligible for membership in the Tri-Hi-Y and any sophomore who has a "B" average.

Membership is open to any boy in the upper three classes although sophomores must maintain a "C" average. After applying for membership in the Hi-Y an application must be filled out and signed by the parents. His application is then voted on by the other members and if approved he is initiated into the club.

Fall Conference

This year the Butler Hi-Y and Tri-Hi-Y were host to the District 3 conference. The conference each year is held at different schools where there are active Hi-Y and Tri-Hi-Y Clubs. This conference which was held on October 3, 1951, was for the officers of these clubs. There were six schools represented.

The conference was planned by the officers and sponsors of the two Butler clubs. The conference was started at 4:15 with group singing. Following the singing period was a devotional hour.

After the completion of the devotional part of the program, the sponsors left for a meeting of their own and the officers remained in the High School Assembly for a session with Mr. Duff, the state director. In these sessions, various problems of each Hi-Y and Tri-Hi-Y Club represented were discussed. At 6:00 p. m., the group ate a banquet supper in the school cafeteria, prepared by the Tri-Hi-Y of Butler.

The last part of the service, following supper, was held in the gym where some special numbers were played before the group, using the talent from Butler, with a film "One God," being shown in conclusion of the conference.

Services

In the course of the past school year, the Hi-Y and Tri-Hi-Y have contributed many services to their school. The Hi-Y rented three movies to entertain the student body. The first was a film on alcohol, called "It's the Brain That Counts," and along about Christmas came the second called "King of Kings," a movie on the life of Christ. The third and last was "Help Wanted," an expos'ee of the frauds in many employment agencies.

Special Events

In addition to these films, they arranged for and passed out the basketball programs at the home games.

The Tri-Hi-Y purchased a mirror for and agreed to maintain the girls' rest room.

Both organizations worked together in planning the fall conference and banquet held here and the Christmas program.

This is a record of school service hard to beat and certainly one to be proud of.

Latin Club

The Latin Club which was established six years ago, is a branch of the Junior Classical League. Membership is open to all students who have taken first and/or second year Latin and want to further their knowledge of the subject.

The meetings are held the last Monday of each month in room five which is the Latin room. The meetings are conducted much as any other clubs and parties are not infrequent. The annual Christmas Party was postponed this year due to the bad weather which closed the school.

This year the club gave a 2 hour movie, "The Last Days of Pompeii," as an auditorium program.

Each year awards are presented to the most outstanding students attending first and second year Latin classes. These awards are provided by the Latin Club and presented on Award Day by the sponsor, Mr. Ashby.

The officers elected by the club to serve this year were: President, Joyce Funk; Vice-President, Jack Maxton; Secretary-Treasurer, Sondra Sicard.

Library Club

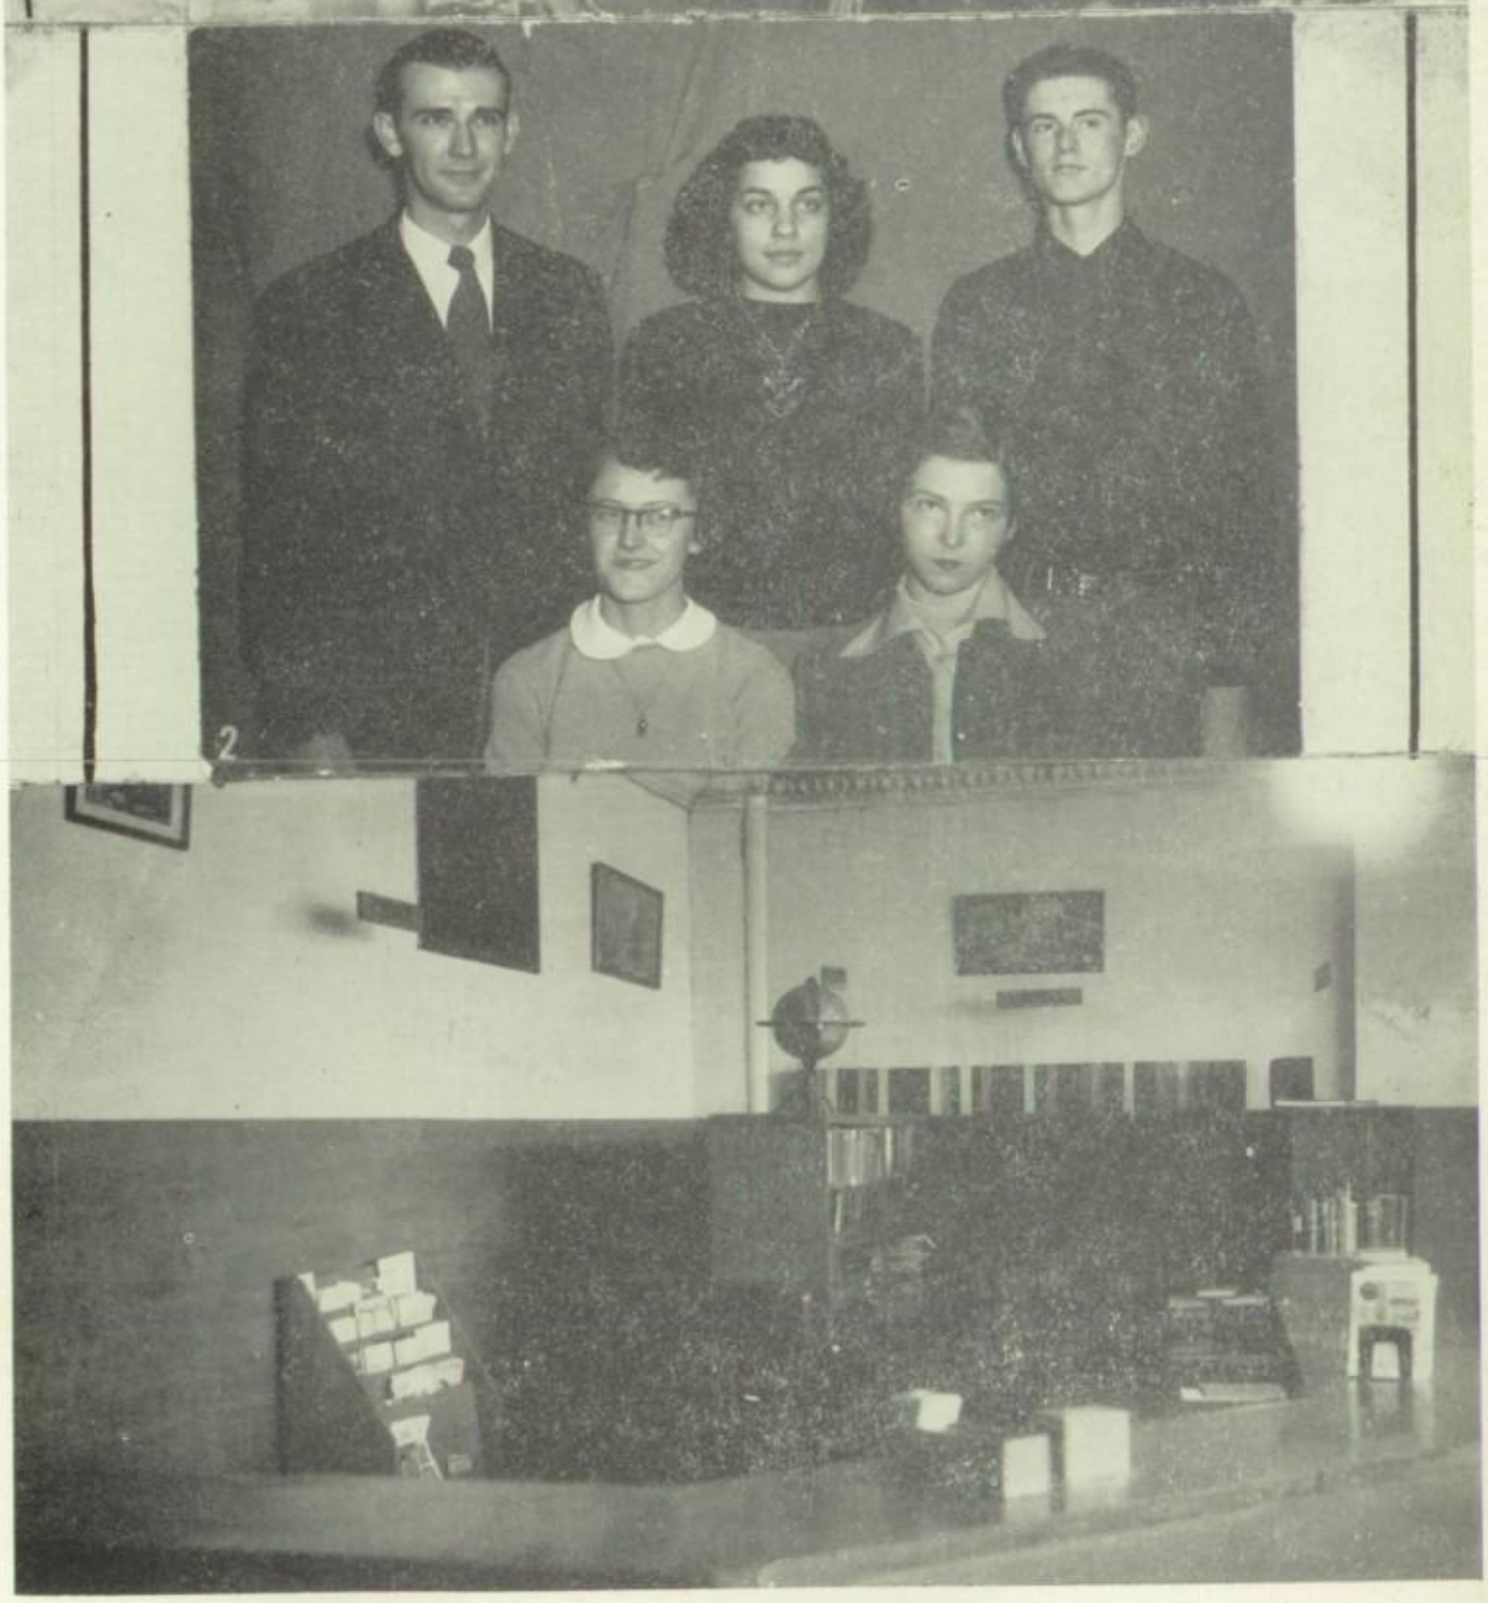
The Library Club was started in 1951 by Jack Ruff. The duties of the librarian were such that all of the Study Hall teachers work were relieved in connection with the Library. The Club meets once a month and after the regular business meeting usually some kind of refreshments are served.

This year the club took upon itself to put all the books in the library in order as to the Dewey Decimal System.

The officers were elected at the last meeting in May. Cliff Johnson, President; Sharon Beebe, Vice-President; Judy Parker, Secretary; and Beth Hankey Treasurer. The first meeting was a hay ride to Alton Park, where everyone had fun even though it was a little cold.

This year the club chose as its project to send books to Kansas. Many new things were added to the Library in the past year that aided our school in many numerous ways.

The accomplishments of the club in the past year have been many. It started a pamphlet file that consisted of a pamphlet folder on National Geographics. Magazine covers were bought and placed on the magazines. Book pockets and due date slips were placed in all the books in the library, newspaper racks were added, a set of science encyclopedia were placed at the disposal of the high school. There are many things that still have to be done in the library before school is out this spring.



1. 1*st row*: L. Beard, B. Hathaway, D. Ginder, D. Imler, J. Haverstock, L. Handy, C. Johnson, G. Higley. 2*nd row*: J. Wilson, A. Dohner, H. Coll, J.Auer, S. Sicard, W. Brade, J. 3. Butler High School Library.

The Cannibal Queen

The senior class of the Butler High School presented their annual play on Friday and Saturday, October 19 and 20, in the high school gym. The name of the play was "The Cannibal Queen." It was a three act comedy written by Robert St. Clair and directed by Mr. Jack Ruff.

The story of the play revolved around a small hotel in a town called Centerville. A real, live cannibal queen was brought to this country by an ex-GI, to be studied by an eccentric explorer, Professor Kent. Bruce Clyde, a young newspaper editor heard about this event and was going to have the Cannibal Queen, called Ju-Ju, make a public appearance.

The time came for the arrival of Ju-Ju, but she didn't show up. Mr. Clyde didn't want to disappoint the people who had purchased tickets for Ju-Ju's appearance, so he persuaded his fiancee, Brenda Kay, to pose as the cannibal queen. Then the real queen arrived and things started happening. The hotel was turned into a madhouse, where various people sought a $50,000 reward, or a marriage, or a job, and finally for their sanity.

3. Ronald Rosenberry and Jack Maxton

Policy Council

The Policy Council is the first group of its kind to ever be formed in Butler High School. It is a step toward a full-scale student council which gives the students a sense of democracy by letting them give their opinions and viewpoints on school problems. By being able to do this, the students feel that they are actually a part of the school and have a place in it.

A boy and girl from each class were chosen by the class sponsors and officers to be members of the Policy Council. These were as follows: freshmen—Tom McConnell and Edith Love; sophomores—Tom Underhill and Wilma Shultz; Juniors—Don Kaufman and Marjorie Smith; seniors—Jack Maxton and Sharon Beebe.

Also the faculty selected two teachers to represent them. They were Mr. Oberlin and Mr. Ruff. Mr. Brubaker acted as chairman. The student officers were Jack Maxton, President; and Sharon Beebe, Secretary.

Projects were at once undertaken by the Policy Council. Some of them were: sponsoring the March of Dimes in the school, helped start the monitor system, made signs to help keep people off the lawn when it was muddy, selected the assembly programs for the coming year, and encouraged depositing of waste paper in the proper containers.

This organization, although it was new, showed the students can share responsibility and if given a chance, help solve their own school problems.

1. 1*st row*: Edith Love, Jack Maxton, Tom Underhill, Mr. Ruff, Tom McConnell, Don Kaufman. 2*nd row*: Mr. Oberlin, Marjorie Smith, Sharon Beebe, Wilma Shultz, Mr. Brubaker
2. Same as 1.

Future Farmers of America

"Learning to do, doing to learn, earning to live, living to serve"—that is the motto of the FFA. Its colors are "National Blue" and "Corn Gold," and its purposes are to develop competent, aggressive, rural and agriculture leadership.

The officers consisted of Walter Slentz, President; Fred Thompson, Vice President; Jim Lung, Secretary; Lee Dohner, Treasurer; Vaughn Billings, Reporter; and Mr. Berg, the advisor.

This Butler Chapter consisted of 42 fine boys with each class having about the same number in the FFA. The figures show eleven Freshmen, twelve Sophomores, nine Juniors and ten Seniors, which add up to the most FFA boys in over a decade.

The chapter had a pest contest between the boys north and south of highway six, with the north the victors by quite a margin. It had basketball games with other schools and some practices of its own after some of their meetings. They entered a Farm Safety Contest and a tractor driving contest at Waterloo. The driving contest ended with the Butler Chapter winning the group contest, which consisted of DeVon and DeWayne Weicht, Kenneth Baxter, and Roger Holman. DeVon won the individual driving contest and received a trophy for it.

6. F. F. A. 1*st row*: Jim Lung, Walter Slentz, Fred Thompson. 2*nd row*: Vaughn Billings, Mr. Berg, Lee Dohner

Future Homemakers of America

The F.H.A. is a national organization of home economic students. Membership is open to any student completing one course of home economics.

The emblem of the F.H.A. is a house supported by two hands symbolizing that the homes of America are in the hands of its youth. The motto, "Toward New Horizons," expresses the purpose of the organization—learning to live better today in order that our lives may be better tomorrow.

We held meetings on the second Thursday of each month, and at Christmas we joined the F.F.A. in fun and frolic at our annual party.

We had a successful year under the leadership of Miss Metz and our officers. President Eleanora Haifley held the gavel, and was supported and assisted by Vice-President Shirley Heffley. Secretary Leona Shambaugh recorded the minutes of our affairs—ranging from a beautiful, formal initiation to a regular meeting. Our money was counted by Treasurer Barbara Likes, Historian Audrey Miller kept track of our History, Song Leader Avis Armstrong brought out our hidden talents, and Reporter Beth Hankey reported on our activities.

2. 1*st row*: Janet Auer, Shirley Surface, Barbara Likes, Eleanora Haifley, Loretta Hankey, Jackie Wilson, Joan Hankey. 2*nd row*: Avis Armstrong, Sharon Whitney, Kay Brown, Gloria Getts, Jean Wilson, Gail Bellamy, Ann Hartranft, Redith Miller, Beverly Beard, Lola Hulbert. 3*rd row*: Eleanor Lucas, Audrey Miller, Sally Hollinger, Sharon Seltenright, Joan Thompson, Linda Smyth, Ellen Grimm, Catherine Vachon, Leona Shambaugh. 4*th row*: Juanita Lucas, Phyllis Blaker, Marilyn Rimmel, Iretta Kiser, Beth Hankey, Zelma Osmun, Helen Eck, Delories Howe, Janet Schoonover, Carol Hollinger
3. 1*st row*: Miss Metz, Eleanora Haifley, Barbara Likes, Leona Shambaugh. 2*nd row*: Shirley Heffley, Beth Hankey, Audrey Miller, Avis Armstrong
4. Loretta Hankey, Sharon Whitney, Alice Pierson, Evelyn Richmond, Phyllis Hankey, Barbara Winkler

Chorus

The high school chorus has made public appearances on several occasions during the year—the first of these was between acts at the senior play. During the year an octette was formed, consisting of, Gus Higley, Duane Keesler, Fred Thompson, Dick Roan, Marlene Doolittle, Donna Hook, Joyce Funk and Dorothy Houser. The octette sang for a number of civic and community clubs at different times throughout the year.

In the spring all the vocal group combined to present a variety show, colorful in costumes and sparkling in music. Mrs. Evelyn Wagner directed the show.

The chorus and special ensembles, under Mrs. Wagner, met the sixth period two times a week.

Like the band, the chorus climaxed its year's work with a Spring Concert.

1. *1st row*: Kathryn Vachon, Janice Hankey, Pat Tustison, Evelyn Richmond, Janet Auer, Dee Michael, Charlene Higley, Nancy Bright. *2nd row*: Eleanor Lucas, Rosella Baxter, Sally Hollinger, Judy Stapleton, Carolyn Lane, Charlotte Imhoff, Gloria Getts, Jackie Hamman. *3rd row*: Juanita Lucas, Marilyn Keller, Bob Ashby, L'Dea Handy, Jim Meyers, Carl Casebere, Walter Slentz, Duane Keesler, Frances Kubik. *4th row*: Maxine Zerkle, Ann Hartranft, Jean Wilson, Rosella Healy, Beverly Beard, Janet Jenkins, Redith Miller, Delores Howe, Helen Eck
2. *1st row*: Art Wilson, Fred Thompson, Dick Roan, Gene Smith, Don Imler, Bishop Hathaway, Jack Maxton. *2nd row*: Marilyn Rimmel, Sharon Beebe, Janet Stark, Helen Coll, Eleanor, Haifley, Norma Hartranft, Iretta Kiser, Loretta Hankey. *3rd row*: Douglas Stapleton, Gus Higley, Joyce Adams, Donna Hook, Lenore Ringenberg, Dorothy Houser, Alice Dohner, Barbara Lung, Joyce Jenkins, Joyce Funk, Marlene Doolittle, Ronny Rosenberry. *4th row*: Evelyn Knox, Marilyn Ginder, Sara Reidenbach, Joan Pratt, Gail Bellamy, Sharon Seltenright, Joan Thompson, Sondra Rimmel, Edith Love, Joan Hankey

Eighth Grade Chorus

The Junior High Girls Glee Club was organized last fall. It is the first time there has been an organization of this kind. The twenty-eight girls meet Monday noons for rehearsal.

In January they sang several numbers for the student body.

In February a school bus took them to Hopewell, Mudsock and Moore Schools, then on to Auburn to sing at Souder's and Sanders' Hospitals for the patients.

In March they sang for Butler's two convalescent homes. They were invited to sing again before school closes.

Their last appearance this season was the Spring Concert. A boy's Glee Club has been organized recently and they will appear together at the concert.

The Grade School operetta, "The Toys That Had To Wait," was put on by the first four grades.

As the curtain opened, Mrs. Santa was seen in her rocking chair rocking and knitting busily. Old Santa was seen at one of his tables, putting the last few toys in his pack. After Santa's farewell, the toys left behind were so disappointed and begged so hard to go along, Mrs. Santa wondered what she could do to make them happy.

She would call Titania, Queen of the Fairies, she alone could make each toy come to life and happiness this Christmas Eve. Titania comes and the different toys are discovered alive in the store room by the fairies. Each of the toys sing and dance and they all have a very jolly time.

The operetta finished with a grand finale, everyone on stage singing, "The Man with the Whiskers."

1st row: Eleanor Clear, Sylvia Van Leuven, Sandra Doolittle, Edith Oberlin, Arleen Overholts, Nancy Lung, Joan Rex

2nd row: Mary Sue Copeland, Helen Troyer, Martha Oberlin, Deanna Rosenberry, Sharon Greg, Enid Hankey, Eunice Meeks, Ruth Campbell, Mary Wolfe

3rd row: Mrs. Wagner, Janice Bacon, Jane Dickson, Sharon Robinette, Karen Walker, Janet Moore, Freda Moore, Rose Marie Surface, Ruth Bridgewater

The Gay Nineties

Last spring the chorus of the high school under the direction of Miss Gretchen Gierman, our vocal teacher last year, presented a rather humorous operetta compiled, written and directed by herself. Joyce Funk, Gus Higley, Marlene Doolittle and Richard Roan took the principal roles.

The story dealt with two foppish boys who wanted to sing in a barber shop chorus contest and needed two other singers to fill out the quartet. The two girls asked for and obtained the positions. A complication arose in that one of the judges proved to be the father of one of the girls. Of course, everything worked out all right, the quartet won the contest and the two couples found themselves very much enchanted with each other.

1. Marilyn Darby, Lenard Keller, Sondra Rosenberry, L'Dea Handy, Norma Meyers, 2nd: Jewell Beebe, Virginia Boyer, Frances Kubik, Lenore Ringenberg, Nancy Bright, Juanita Lucas
2. Gus Higley, Marlene Doolittle, Pinky Funk, Dick Roan
3. Marlene Doolittle, Pinky Funk, Sandra Doolittle

5*th row*: Dean Casebere, Bob Wagner, Jim Lung, Fred Thompson, Sam Harter, L'Dea Handy, Pinky Funk, Helen Coll

Standing: Bruce Hathaway, Terry Fisher, Marilyn Rimmel, Beth Hankey, Jack Maxton, Judy Parker

Band

Strike up the band! Overtures, marches, waltzes or novelties—the band has been striving for perfection throughout the past year.

During the year the band appeared at the Auburn Fair, the all state band day at Bloomington, the district band festival, a spring contest and last but not least it played for all the home basketball games.

Under the baton of Mrs. Lida Stage, 55 senior high students come to understand the beauty of music.

Soloists and ensembles in the district solo and ensemble contest won 10 superior ratings.

Participants were: Superior ratings, Donna Hook, Marlene Doolittle, Marilyn Rimmel—vocal solos, Brass Sextette — Dick Roan, Vaughn Billings, Joan Hankey, Bishop Hathaway, Janet Smyth, and Jim Lung. Piano Donna Hook, Marjorie Smith and Helen Coll. Piano Duet—Joan Thompson and Sharon Seltenright. Octette—Donna Hook, Marlene Doolittle, Joyce Funk, Dorothy Houser, Dick Roan, Duane Keesler, Gus Higley and Fred Thompson.

The Butler High School Band has fun, seriousness, and work which no one would want to miss.

Jazz Band

This year brought the organization of a new type of organization—a jazz band. After spending many hours making racks and folios not to mention practicing, we were ready for our first public appearance. During the year, the jazz band played for different clubs, organizations and school activities.

Many happy hours were had at the jam sessions.

Junior Band

The Junior Band will serve the community in years to come—the Butler band of tomorrow. Mrs. Lida Stage has devoted many hours to these beginning band members. The Junior Band is made up of students from the fifth, sixth, seventh, eighth and ninth grades. Mrs. Stage had approximtely thirty students under her direction this year.

Eighth grade graduation is the main activity of the Junior Band. For the event the students practice very diligently. On March 7th, the band gave an exhibition of their talents on the gym floor by forming a hearth and a large B. The rest of the year is devoted to learning the fundamentals or playing simple marches and overtures.

After much time and hard work in this organization, the students' goal is reached, a chair in the Butler Senior Band.

1. McKinley's Tomb; 2. Pittsburgh; 3. Eternal Flame Altar, Gettysburg; 4. Well House, Mount Vernon; 5. Pennsylvania Turnpike; 6. Fort Necessity; 7. Gardens at Franciscian Monastery; 8. Unloading at Fort Wayne

Class Junket

Leaving Fort Wayne in an Indiana Railroad bus driven by Mr. Doyle Wright at 7:30 Sunday, May 13, 1951, thirty-two seniors and their sponsors (Mr. and Mrs. Paul Ashby and Mr. Frank Clark) started for the very memorable trip to Washington, D. C.

The first point of interest was McKinley's tomb at Canton, Ohio which the group reached in the afternoon. Proceeding on their way they arrived in Pittsburg to stay in the Shearton Hotel.

The next morning everyone rose bright and early to start again for Washington. Among the many sights was the Gettysburg Battlefield and the beautiful Pennsylvania Turnpike. Arriving in Washington around 6:00 p.m. everyone watched excitedly for the first glimpse of the Washington Tourist Cabins in which they were to stay for the next three days. Everyone was excited and ready to see the sights—Bureau of Printing and Engraving, The Lincoln Memorial, Mt. Vernon, National Airport, the Congressional Library, Capitol Building, Washington Monument, and the Supreme Court, and oh, the night ride on the Potomac. Wednesday was free to all. Thursday, still hot with no sign of rain, was spent in seeing St. Alban Cathedral, Church of the Immaculate Conception, the zoo, Monastery and Smithsonian Institute. Thursday night we went to the Amusement park—Glen Echo.

Friday was time to leave and what rushing there was to get packed and leave by 7:00 a. m.

A tired, but happy bunch of students reached Fort Wayne ahead of schedule on Saturday around 4:30.

1. A close score in horseshoes—Faculty party.
2. Eat line-up—Sophomore party.
3. The teachers and their wives line-up for eats at Faculty party.
4. Valentine music party, fifth grade.
5. P. T. O. Carry-in Supper.
6. The Kindergarten has a party.
7. The Hi-Y—Tri-Hi-Y Christmas party.

Social Life

If school life were only a matter of books, classes and work much of the vaunted reason for coeducation and general education would be invalid. The social conduct between boys and girls, students and pupils, frequently outweighs in lasting values much that is formally taught.

Classes are limited to two social events a year. Various clubs have occasional social events that help to make life much more pleasant. The fall is a time for hayrides and every class and some clubs have one. In the spring there is an all school picnic as well as the trip to Washington. Classes may but do not always have a spring party.

The Hi-Y and Tri-Hi-Y always have a

6. F. H. A. Meeting

part out of their initiation, as does the Latin Club, F.F.A. and F.H.A. The Library Club and the F.H.A. and F.F.A. have a large portion of their meetings devoted to social life.

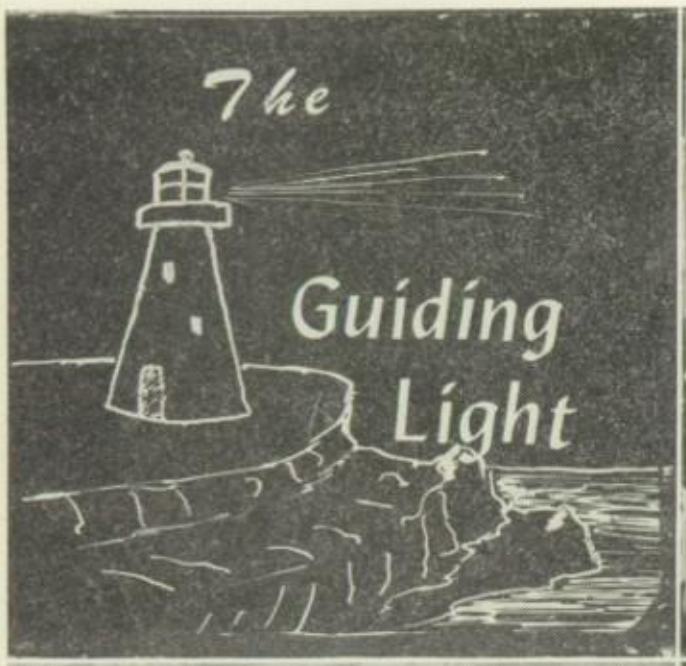
Each Christmas the Hi-Y, and Tri-Hi-Y clubs join for a Christmas exchange and potluck supper. Each spring on the Monday before the close of spring they also have a picnic at Pokagon Park—a farewell to the senior members.

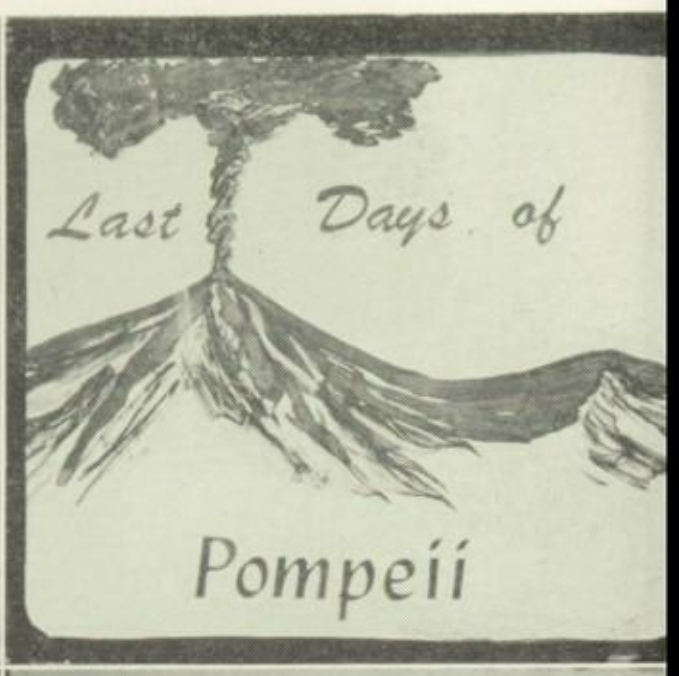
The faculty has a Fall get acquainted meeting or party in which the new members are welcomed into the group. This year the party was a potluck supper at the Alton park. Sometimes the group goes to Pokagon park. A regular feature of the faculty social life is a Christmas party which was omitted this year for various reasons.

Various grades and classes have parties at clear periods throughout the year—music parties and birthday parties—but not to the complete disruption of class work. No high school class has a party during class hours.

Each year the P.T.O. opens its yearly program with a potluck supper, at which the new membership is enriched and the new members of the faculty are introduced.

Assembly





Upper row: 1 and 3 Motion Pictures; 2. Miss Clingaman, Miss Roberta Bobbe

Lower row: Dr. Reinhold of Singapore; 2. Motion Picture; 3. Don and Ginger Bechtold

For a great many years we have had a motion picture projector and a stereoptican. The former has been in wide use for the presentation of two hour motion pictures and classroom instruction. The latter has degenerated into a spotlight for theatricals. This year a new projector has been bought along with a new P. S. system. In addition a film strip projector has been added to our visual aid program.

Only three two hour programs have been presented this year, "The Last Days of Pompeii"—presented by the Latin Club, "King of Kings"—by the Hi-Y, and "The Shortest Way Home" by the school. However, the use of the projectors have been greatly increased in the classroom with pictures on geography, economics, history, driver training, agriculture, home economics and other subjects. In this way the teachers have had a very val-

uable aid in the presentation of their subjects.

We have had only two assembly programs from outside talent—Roberta Bobbe—presenting the operetta "South Pacific" in tabloid form, and the Bechtols in an archery program. Mr. Harridge appeared one morning for a program, but we have not had the usual number of talks from ministers and college programs we have had in the past. Perhaps we were just off schedule this year.

Academic

Fine Arts

Art classes are held in both the grade school and the high school. Art is taught by Mr. Ashby. The art room is busy twice a week in the high school and once a week by each of the grade school classes.

The music department offers both vocal and instrumental training. Mrs. Stage is director of the High School Band and the Junior Band. Junior Band is the preparatory step for the High School Band. The High School Chorus is in charge of Mrs. Wagner. She also teaches music in the grade school. This includes a tonette class.

Languages

All high school students are required to take three years of English (Literature is half of the program). Those who are taking the college preparatory course in high school are in the college English class. The rest of the class is the general English section. Mr. Ruff and Mrs. Hampel are the teachers.

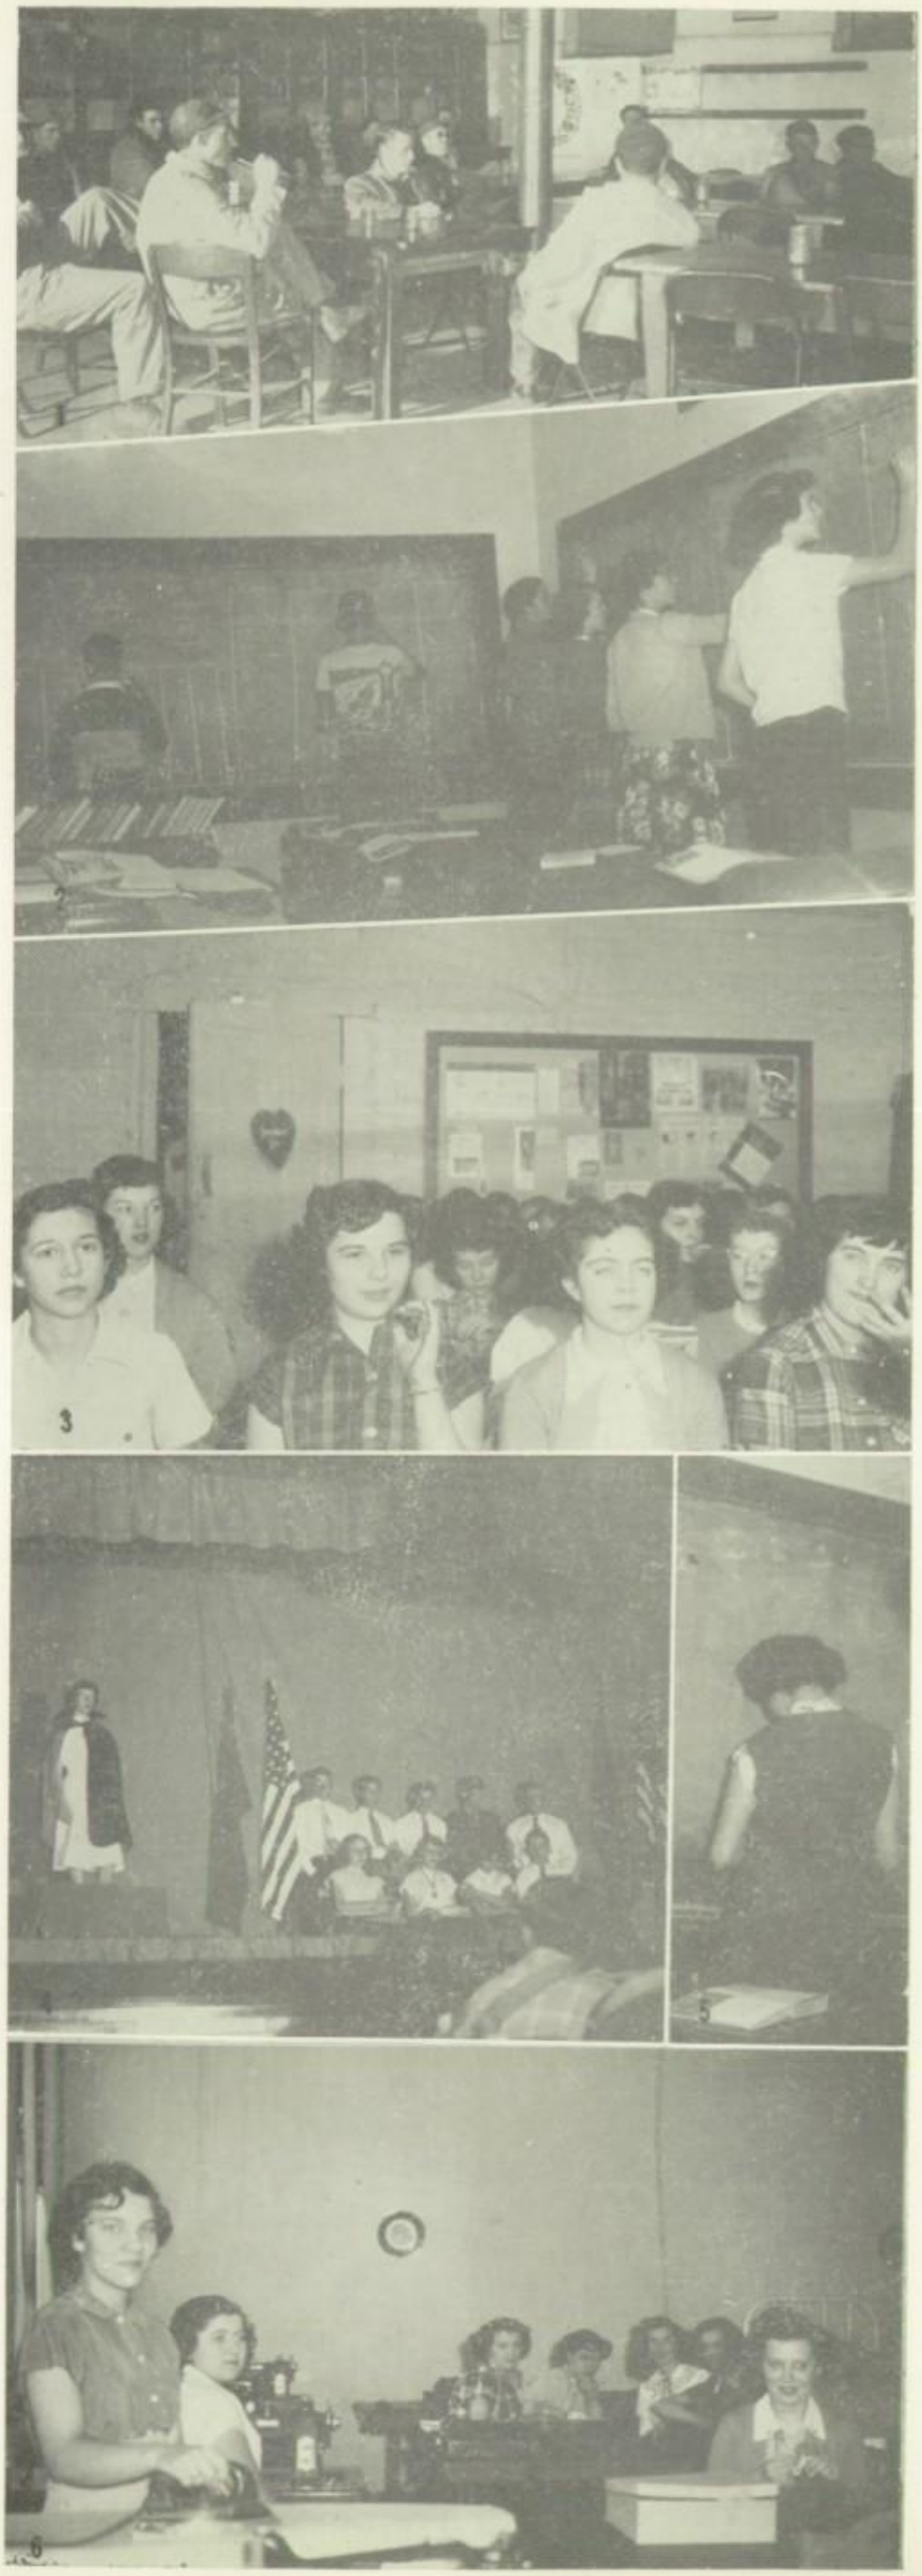
Two years of Latin are given in the Butler High School. This subject is included in the college preparatory course and is taught by Mr. Ashby.

Science

Biology has been required in the sophomore year and after this year in the freshman year. This takes care of the science course needed for graduation, but there are chemistry and physics offered for anyone who wishes to study them.

Mathematics

The subjects of this type which are offered in this school are general business, general mathematics, algebra, plane geometry, solid geometry, advanced algebra, and trigonometry. This gives a variety of choices. If a person



1. Vocational Agriculture Class
2. Latin Class—Tom McConnell, Jerry Koviak, Sonya Brade, Janet Jenkins, Charlene Higley, Dee Michael

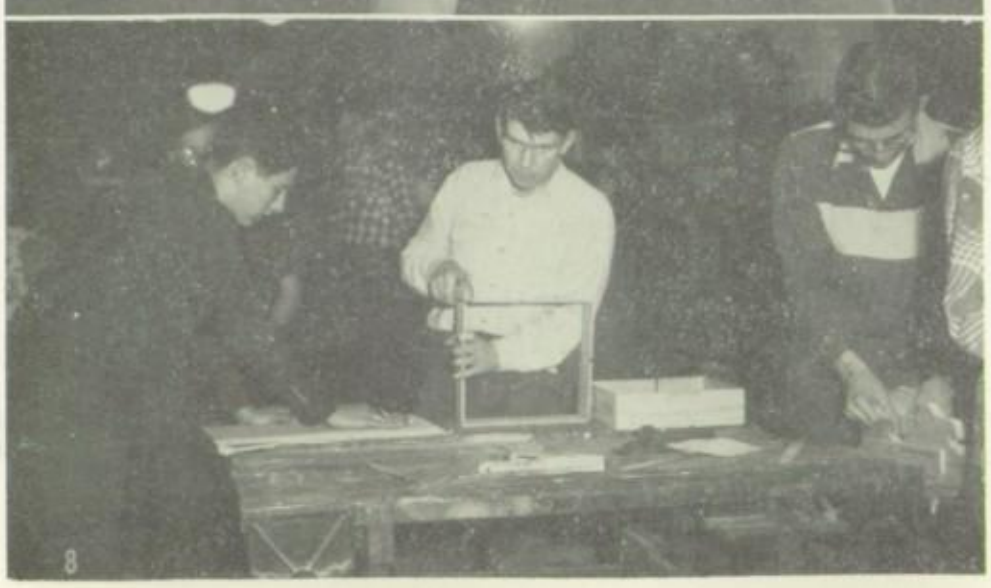
4. Speech Class—1st row: Joyce Funk, Donna Hook, Iretta Kiser, Marilyn Rimmel, Bishop Hathaway, 2nd row: Jack Maxton, Jerry Call, Robert Ashby, Don Imler, Duane Keesler
5. Latin Club—Patty Rosenberry
6. Home Ec. 11 & 12—Loretta Hankey, Sharon Whitney, Alice Pierson, Janet Auer, Evelyn Richmond, Phyllis Hankey, Barbara Winkler



wants to go on to college, there are courses for him, and there are courses for those who wish to use mathematics in a vocational manner. Mr. Clark and Mr. Brubaker take charge of all these subjects except general business; Mr. Cherry teaches that.

Social Studies

Among the subjects required here are geography, United States History, and government. Elective subjects, sociology and economics, are available in this field to juniors and seniors.

Commercial

Our very able commercial teacher is Mr. Oberlin. The subjects included in the commercial course are first-year typing, second-year typing, first-year shorthand, second-year shorthand, and bookkeeping.

Vocational

The vocational agriculture class is made up of mostly farm boys. Under the able assistance of Mr. Berg the boys study field crops, animal husbandry, and farm management. Veteran's training is also a part of this section.

Vocational home economics, composed of cooking, sewing, and home nursing, is taught to the girls who plan to devote most of their life to doing these things by Miss Metz.

Both of the vocational departments are closely associated with the 4-H Clubs.

This school, because of the high quality

This is the first year for mechanical drawing in the high school. Before this year it was offered only to the eighth grade boys. This shows one improvement in the school. The class is taught by Mr. Ashby.
of the training of its high school faculty, has had cadet teachers from Bowling Green State University obtaining college credit for their work as student teachers in the Butler school.

Physical Education

Two semesters of physical education are required for graduation. These are usually given in the freshman and sophomore years. Mrs. Hampel is in charge of the girls, and the boys are under Mr. Cherry and Mr. Clark. Everyone is required to take one semester of health and safety or else its equivalent. A little aside from building bodies is training the mind in driving in the driver training class.

1. Indiana Michigan demonstration in Home Ec.

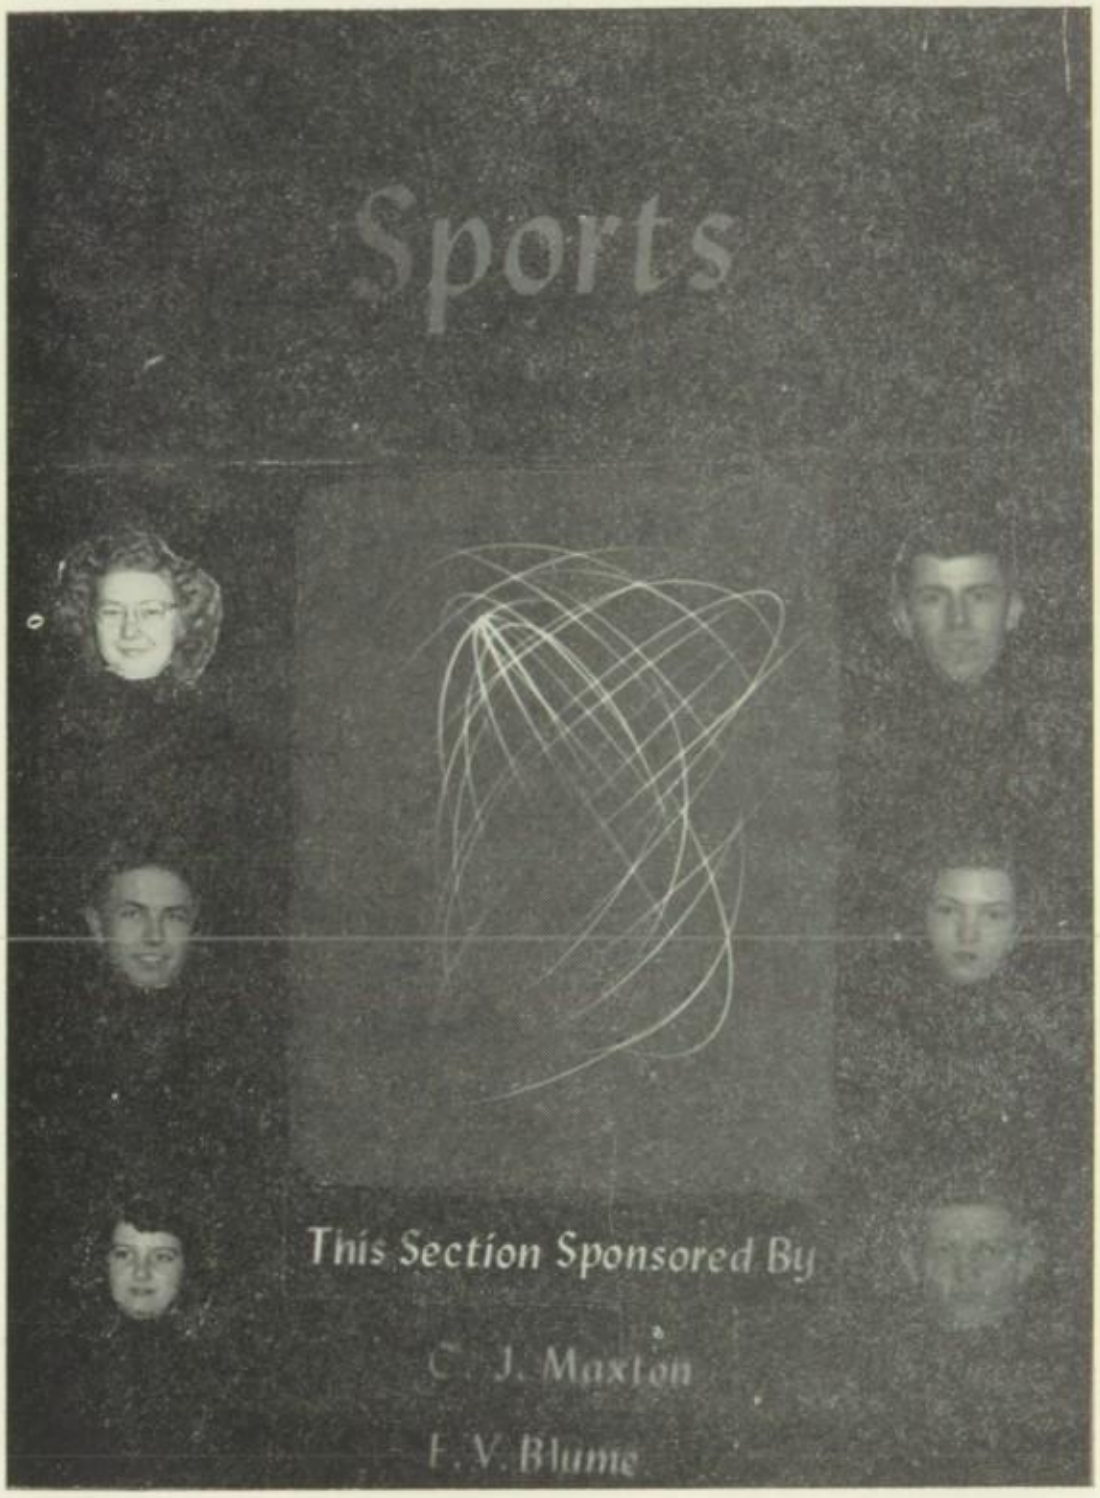
10. Rabbits, oats and poultry. 1*st row*: Lowell Trubey, Ellen Grimm. 2*nd row*: Lee Dohner, Carl Casebere, Harrold Adams

Butler High Notables

Butler High School students have attained many honors by their achievements in music and 4-H work. In those listed above are grand champions in clothing, entomology, and many champions and prize winners in cattle, sheep, poultry, swine, oats, Etc. One of our champions, Mr. Ashby, has attained national honor with his art work.



For strong bodies

George Cherry, Bill Glesing, Frank Clark, Keith Beebe, Oliver Wade, Esther Hampel

Coaches

Every team needs a good coach to get the best out of his material. The school sports program was very fortunate in having been furnished by the athletic department with outstanding coaches again this year.

Mr. Beebe was the athletic director and besides taking care of his multiple duties as such, he discovered new talent for the future varsity basketball and track teams as Jr. High basketball and track coach. This indispensible job was carried on in such a manner that his boys profited much from his teaching. This can be seen in the attitude which these boys now carry with them.

Mr. Clark, as head basketball coach, inspired the first team to a better than average season for they won 13 and lost but 10. His main contributing factors in the development guiding interest and patience is one of the of the players ability. Not only did he tell the boys how to master the game but they could also see him in action and learn by observing.

Mr. Cherry was in large part responsible for the outstanding season the second team pursued. He captivated the boys and then he taught them basketball. Mr. Cherry kept the baseball team hustling as assistant baseball coach.

Mr. Glesing educated the local thinlies in the finer points of the track and field events as head track coach. This is his first year in the fold of the green and gold and the boys certainly profited from the training and sportsmanship as taught by Coach Glesing.

Managers

Don, Bish, and Gene are our official towel throwers this year. They looked after the balls, did the washing, cleaned the floor, and did numerous little favors for the fellows. Don did much more than his share for the first team as he also helped lead the cheering section as cheerleader. Bish looked after the baseball and track teams as well as the basketball team. Gene's principal sport was basketball where he managed the second team. Gene was also a great help with the other sports. He should be very valuable next year as he is a junior. The other two boys graduate this year.

Cheerleaders

The morale of a team depends on knowing that someone is behind them. To help let them know, Butler High School was blessed with a fine group of cheerleaders. Nancy Bright, Don Imler, and Clifford Johnson led the cheering section for the first team and Sharon Seltenright and Eleanor Lucas led the boosting of the second team.

When the team was behind, our cheerleaders never quit urging them on. They always were encouraging the teams by their excellent leading of the cheering section. The only reward these people get is the knowledge that they have helped the teams' spirit and morale. They certainly deserve a lot of gratitude for a job well done.

1 & 4. Sharon Seltenright, Eleanor Lucas
2. Clifford Johnson, Nancy Bright, Don Imler
3. Victory Bell

5. Don Imler, Bishop Hathaway, Gene Smith
6. Don Imler, Nancy Bright, Clifford Johnson

Track

The 1950-51 track squad under the able supervision of Coach Yarde pursued a much better than average track season. They competed with many teams in this corner of the state and always collected their share of blue ribbons.

The local thinlies opened the season at Kendallville with a dual meet. Butler won seven of the eleven firsts but lacked depth enough to win. Johnny Bright and Jerry Beebe were double winners for Butler. The final score rested at 64 to 45.

At Auburn Johnny Bright scored the only double as each team won five firsts but Butler still lacked depth and came out on the short end of a 72½ to 42½ score.

The team showed better team balance against Fremont where they copped 5 first places to their 6 but won enough seconds and thirds to win 60 to 49.

Butler scored 75 points at home to romp to victory in a four-way track meet. The Windmills captured six events and both relays to outdistance the field. Spencerville finished second with 45¾ points, Hamilton was third with 30 and ¾ points and St. Joe finished last with 13¼ points.

The Corner Conference was again for the upteenth time by the local thinlies. They also participated in the Goshen and Kokomo relays. In the Sectional Meet at Fort Wayne Johnny Bright placed third in the second section of the 100 yard dash and first in the first section of the 220 yard dash with winning time 22:9 seconds. Jerry Beebe placed fourth in the 440 yard dash and Olus Everetts finished second in the mile run.

1. Jerry Beebe, Harold Carr, Olus Everetts, Larry Baron—Relay Team
2. John Bright
3. Loren Beard, Paul Tom
4. Duane Keesler, Gene Bellamy, Loren Beard, John Bright
5. Jerry Beebe, Larry Baron
6. Charley Smyth
7. Fred Thompson, Ronald Rosenberry
8. Walter Slentz, Don Kaufman
9. John Bright, Duane Keesler

Intramural

No wonder Butler High School can display such a healthy, well-developed looking group of boys and girls! The intramurals which consist of many sports, give every student who is not on a regular school team a chance to develop his skill in athletics.

During the noon hour the gym is taken over by both resident and non-resident athletes. Although boys and girls both have a chance to participate, the boys nearly monopolize the time, for the girls have the gym during only one noon hour each week. The Junior High also had its days in the gym which was used very efficiently.

A large amount of attention was centered in the athletic room or lettermens' room. The subject of this interest was the ping-pong tables where some very excellent talent was developed. This talent was exclusively boys although the girls did play some when the table was moved out into the hall. The girls did not seem to have the interest that was characteristic of the lettermen.

Besides serving as a means of keeping the students out of mischief, the intramurals also furnished valuable recreation for them.

* Kendallville Invitational Tourney
**Jr. High Tourney

Junior Hi Basketball

Under the able supervision of Coach Beebe the Jr. High basketball teams sought to develop the future varsity team and proceeded on to a very successful season. They scored 884 points and their opponents scored 703 points. They won the Kendallville Invitational Tourney and went to the finals in the County Tourney.

They won a total of 26 basketball games and lost only 9. This is a large schedule but many evenings they played two games, that is the 5th and 6th grades also had their games as well as the 7th and 8th grades. One can readily see that Butler is building for tomorrow. This keen competitive bunch of boys who have built sportsmanship and a fighting spirit are already a long way on the road to being the future stars of Butler High School.

Injuns

The 1951-52 edition of the Butler "Injuns" under the supervision of Coach Cherry, for the first year, won the second team county tourney—rolling over Garrett 37 to 19 and clinching the tourney by winning over Ashley 39 to 27.

In regular season play they came out on the long end of the scoring in 17 games and the short end in only 3 games. They amassed a total of 864 points while their opponents acquired 575 points. Another high point of the season was the tieing of Fremont for the Corner Conference championship — winning five games and losing one.

Cherry's cagers by walloping Spencerville 71 to 22 opened a very successful season. They then piled another impressive score on top of Hamilton—58 to 21. The "Injuns" trip to Columbia City did not turn out so successful as they lost 42 to 35. They bounced back hard into a five game winning streak. They rolled over Wolcottville 39 to 25, Auburn 34 to 31, Garrett 42 to 31, Waterloo 45 to 33, and Angola 42 to 25.

They suffered their second defeat to the Fremont squad by a close 40 to 38 score—but again recoiled into another

five game winning streak. Their next victims were Churubusco 55 to 29, St. Joe 43 to 26, Leo 38 to 20, New Haven 37 to 28, and Ashley 44 to 34. Their third defeat came at the hands of Angola 31 to 22. The second team finished up the season by beating Albion 54 to 36, Avilla 40 to 25, and Waterloo 51 to 30.

During the season this team sent two boys up to the varsity, and prepared several more for similar positions in the near future.

Basketball, 1951-1952

The Butler High School "Windmills" initiated the season on the home floor with an impressive 69 to 38 victory over Spencerville on Nov. 2. They then journeyed to Hamilton where they amassed a 68 to 33 win. Columbia City handed the varsity their first defeat by a score of 65 to 51.

A high point of the season was the annual game with Auburn. Coach Clark embarked on a "control" game which had surprising results—although Auburn won by the startling low score of 7 to 4. The game received state wide attention.

Garrett eked out a four point lead in the next game to win 41 to 37. The "Windmills" edged by the Waterloo "Wildcats" on our home floor with a two point margin—the final score being 50 to 52. The varsity then fell victim to a shallow defeat of 59 to 56 at the hands of the Angola "Hornets." A three game winning streak was then enjoyed by the "Mills." They annexed the Fremont game by piling up a ten point difference—65 to 55. The next game showed the scoring strength as they beat Churubusco 70 to 43.

Butler entered the County Tourney with a 64 to 51 win over the St. Joe squad. Waterloo, avenging an earlier defeat, squeaked by on a 49 to 46 lead to eliminate the varsity. The next team to fall victim of the varsity was the St. Joe "Tigers"— a 14 point difference of 59 to 45. The locals then slumped into a three game losing streak—Leo came out

ahead 58 to 44, New Haven conquered 60 to 51, and Ashley 60 to 54.

The varsity gained strength and slid past three tough teams on fairly narrow margins. They avenged an earlier loss to Angola 48 to 45; Avilla, 55 to 54; and Albion 65 to 63, earning a tie for the championship.

In sectional tourney play the first team pulled up from way behind in the closing minutes to beat Orland 48 to 45. They then engaged in a hotly contested battle with once beaten once lost to Angola—the final score resting at 53 to 50. Auburn ended Butler's season—avenging the seasons earlier embarassing game 48 to 17.

The "Windmills" scored a total of 1,168 points and their opponents amassed 1,116 points. A better than average season was finished with a won lost record of 13 and 10.

Baseball

First row: Bob Nelson, Larry Baron, Olus Everetts, Dick Obendorf. *2nd row*: Donald Ginder, Jerry Haverstock, Walter Slentz, Jack Maxton. *3rd row*: Loren Beard, Gene Bellamy, Art Wilson, Ronald Rosenberry, Don Imler, Don Kaufman, DeWayne Weicht
Bottom: Clark "trying" to get a hit!

The 1951-52 baseball team played a lot of good baseball under the able supervision of Coach Beebe and Assistant Coach Cherry.

Butler traveled to Angola to open their season with a 7 to 0 shutout. They went to bat 27 times and hit safely 8 times for a team batting average of .250.

Kendallville came here to open the season at home. Both teams collected 5 hits but most of ours came in the third while Kendallville hits were scattered.

Waterloo was overwhelmed by the cracking of Butler bats—13 to 5 as our batters earned 14 hits in 35 trips for an even .400 team average.

Butler couldn't consolidate two hits in any one inning and suffered their only defeat of the season 7 to 3 to a well coached Ashley team.

The "Mills" regained their fine batting edge with 10 hits in 29 trips—a .345 team batting average to win over Albion 9 to 6.

Every pitcher dreams of chucking a no-hit game. This dream was realized by Arthur Wilson in the game against Wolf Lake. He gave up but 3 walks while striking out 15 batters in 7 innings which high school ball is played. The team supported him on the field but were able to come through with but 2 hits winning 4 to 0.

Butler collected 13 runs on 17 hits in 38 trips to beat Rome City who scored only twice. In the last contest of the season the team hit at the blistering pace of .406 with 11 hits in 32 trips. They outscored Angola 13 to 6.

During the season the batting averaged .301 and there was some mighty fine baseball played by a swell bunch of boys. They out scored their opponents 69 to 27 and finished second in the Tri-county Baseball League with a 7 and 1 won lost record. This was bettered only by Ashley who had a perfect season.

the Carr so we could have current and we were ready to go.

To spend our leisure time we took along some volumes of Stevenson, Thompson, Miller, Parker, Harris, and Keller. We also had a record player and a radio given us by some unknown Dohner, and took along a generous number of violin selections played by Auer, some overtures written by Wagner, vocal solos by Martin, piano solos by Blind Tom and little Jack Little. John took his Bassett horn along.

Howe the cold mountain air filled our lungs, but the prospects of a really enjoyable time became Grimm when our Handy man became a Fisher and failed to do most of his duties.

On the Morrow we received word that a Bishop of the Metho-

dist Church, McConnell, was housed in a neighboring building and was studying the writings of Knox, the founder of the Presbyterian Church. It also came out that the shadow of the British Admiral, Nelson, was wandering around, accompanying the ghost of our war President Wilson, his foe Kaiser Wilhelm, the British General Ashby, the latter with a heavy Beard, and Admiral Stark. Suddenly there appeared among this group of spirits a real live flesh and blood general—Doolittle, who was taking a vacation in the mountains from his arduous labors in Richmond as Commanding Officer of the Air Force. A Badman was roaming the hills so Johnny became a Bowman and started out in search of him. The Bright sun became hot enough

to Cook the Bacon real Brown on stoves and melted many Kubik inches of ice on the mountain peak above us.

Susan Peters entertained us one night on the radio in a play adapted from one of the novels by Bellamy. It dealt, of course, with childish Love, but still it was interesting. Part of the action took place on Mt. Whitney, up where the Surface was covered with snow. She was followed by the news commentator, Davis—an Indiana man.

A Cluster of stars echoed a Call for a new day in which one would wish we had a supply of Coll instead of wood for the fire. We stayed in that day and found that Lint was causing trouble on our record player so much that Johnny called out "Pugh!"

Now in fifty-two we finish,
The trek started as a class,
Breaking friendly ties asunder,
And to other duties pass.

As our paths diverge at parting,
Who can see what life may bring?
Or the kind of road we'll travel,
E'er the gong of life we ring?

Some will find the pathway trying,
But we still must persevere,
If we'd reach a port successful,
With a four-point landing here.

Our very best should be the yard-stick,
To measure each coming day;
Dollars when put in the balance,
Like position, may not pay.

Pleasure scattered while we're passing,

"52"

(Continued from page 87)

Will outweigh these earthly things,
For treasures lai dup in heaven,
Never take to themselves wings.

Right should ever be the keynote,
Duty followed to the end;
Being true to self, unfailing,
Will harm neither foe or friend.

Let's live among the coming years,
That time may be well spent;
In future then, should pathways cross,
We'll feel serene, content.

We'll leave behind discouragement,
And toil, and smiles, and fun;
Embarking each, on a future course,
Quite different every one.

Think of what our lot may hold,
We'll wonder, but cannot see;
And we grieve a bit for the broken ties,
Giving place to fifty-three.

May the paths we find not be too rough,
May the burdens be slight and few;
As we steer our bark on a future course,
To conquer our world anew.

ACKNOWLEDGEMENTS:

The Senior Class of 1952 *of the Butler High School and the* 1952 *Staff of the Tropaeum hereby gratefully acknowledge the services of the Higley Press for printing and binding the annual, to Harold Walker, the Davis Studio, the Davidson Studio and others for the pictures in the annual; for the engravings and etchings to the East Texas Engraving Company.*

We are especially grateful to the numerous merchants of Butler and surrounding towns who have made it possible to publish this annual by the placement of advertisements.

We are also very grateful to those who have assisted in paper drives, the chili supper, and any other enterprise put on to enable us to publish the annual.

THE STAFF.
